Miss St. Placid

Each year the senior class nominates four girls to run for Miss St. Placid, who will represent the school and all that it stands for. When the day comes to choose Miss St. Placid, all four girls give a talk to each class and then in front of the student body they answer a question they've chosen from an envelope. While everyone returns to their homeroom to vote, the candidates have their pictures taken. The votes are counted and everyone returns to the gym. The suspense is mounting when finally Miss St. Placid is crowned.

Forensics

Girls who participated in the St. Martin's Forensic Tournament for high schools of the Northwest were: Vicki Reslock, Eileen Cowart, Michelle Dawson, Annette Oliver, Cathy Crapson, Mary Williams, and Teresa Burgman. Six of these seven contestants made the finals, while four brought home a trophy. Trophy winners were: Annette Oliver, first in original interp; Cathy Crapson, third in original interp; Michelle Dawson, first in expos, and Vicki Reslock, third in expos.

Several weeks before Christmas, four girls entered the Western Washington Forensic Tourney at Bellingham, at which time 50 schools and over 650 students participated. Again St. Placid H.S. won the distinction of having four girls make the semi-finals, with two trophy winners: Michelle Dawson, second place in expos, and Annette Oliver, third place in original interp.

Sister Ann Notch is the forensics coach.

My dearest Susan (my friend),

Do you realize that you are my little sister? Just thought I'd throw that in. Anyway ... hey, it's been real! I'm truly glad that you and I have both gotten to know Babs! I will truly miss her. I will remember the days in which we sat in her chair while she was gone, awaiting for her return. The tears have already started to form in my eyes. Oh! I can't take it anymore! Just remember Suey, she's married and there's nothing you can do about it! We must face reality. Oh, how I shall miss her. I hope you have a fantastic senior year. Just a warning - it goes by very quickly.

Take care ——

I am so glad you came back this year to our class, family. I/our presence just make it a little easier to sit through those Spanish classes (but now we are both in the same boat and were kicked out!!!) your friendship means alot to me, along with everyone else. The times we have gone through and are all now in the past seem so meaningless now and we never thought we would get through them. Now just year, and our last year, boo hoo!! But I hope we can always keep in touch throughout the years.

We sure have some memories - the Rick Springfield concert, Solo, CYO parties, SKY Convention etc. You can sure make me laugh, when I'm sad, when I'm in class, and a teacher has ~~the~~ her hawk-eyes on me. or whenever.
